

BUSINESS VALUATION SERVICES

UNDERSTANDING, UNLOCKING, AND BUILDING THE VALUE OF YOUR BUSINESS

Windham Brannon's Valuation Services team provides insightful analysis and accurate valuations that are critical to supporting complex transactions and strategies, tax and financial reporting issues, restructurings, and dispute resolutions.

Our valuations are designed to withstand scrutiny from regulatory bodies, such as the SEC and IRS, auditors from other accounting firms, and triers of fact. Clients receive valuations that are timely, accurate, defensible, and focus on the relevant facts and circumstances.

Our Valuation Services team is prepared to handle complex issues ranging from the valuation of equity

interests, intangible assets and intellectual property, stock options, and debt instruments.
